

EXTRAORDINARY
FUN

#extraordinary FUN

"Gliding is freedom. Simple as that, you can express yourself in so many ways. Represent your country, travel the world, meet wonderful people, all with the same passion & with a feeling of one big family. Aerobatics. Exploring the land, from high or low altitudes. Take your friends for joy flights. There's always something you can do to better yourself with!"

- Adam Woolley (Australian Gliding Team)
